

Richard Anders With Infantry in Korea
Specialist Second Class Richard J. Anders, whose wife lives at 1221 El Prado is a member of the 7th Infantry Division in Korea.

"Bayonet" division is the only U. S. Army division that has remained in Korea since the cease-fire.
Specialist Anders, son of Mr. and Mrs. W. R. Anders, Route 2, Brevard, N. C., is a squad leader in Company A of the division's 32d Regiment.
A veteran of eight years of Army service, Anders arrived in Korea in April of this year.

SCHOOL COSTS
New schools cost from \$13,000 to \$55,000 per classroom to build, depending on the location of the structure.

Opening Held By Rancher's Corner Store

The Rancher's Corner, featuring a complete line of meats, poultry and produce, held its grand opening last week-end at its 174th and Hawthorne location.

Collie Vivonia is the owner of the produce department, one of the most extensive in this area. He is a veteran of many years in the produce business. The Capellino brothers call the poultry part of the huge plant their own. George, Jim and Dick are sons of Joe and Anna Capellino, who started the family in the poultry business. The three brothers took over from their parents in 1946.
Owner of the meat department is Ben Deppe, who has seen previous services with the Visalia Meat Packing Co., Visalia, Wrigley Markets, Los Angeles, and the Pier Market in

Paul Tucker Taking Training in Kentucky

Pvt. Paul R. Tucker, 19, son of Mr. and Mrs. Lynville G. Tucker, 18208 Yukon St., is receiving basic training at Fort Knox, Ky., as a member of the 5d Armored Division.

The "Spearhead" division, formerly a training unit at the Armored Center, recently was reorganized into a combat-ready unit.
Private Tucker entered the Army last June. He attended Verdugo Hills High School.

Skirts, Hubcaps Gone

Anthony Cassette, 22429 Howard, reported the theft Friday night of two wire wheel hubcaps and a pair of fender skirts from his 1953 model automobile, to local police Saturday. The car was parked at Pacific Coast Hwy. and Hawthorne at time of theft, Cassette stated.

Redondo.
The expanded location offers more than 30,000 square feet of storage and display space.

ROUND THE RIVIERA

718 Pupils Expected at Newton School When it Opens Sept. 14

By MARY WEBB
FR 5-3051

Warren Hamilton, director of special services for the Torrance School District, last week announced:

"It is predicted that Newton School will open on Sept. 14 with approximately 718 pupils. The new school will have a health and administrative unit, two kindergarten rooms, 16 classrooms, a cafeteria, and a shop and home-making room. All children living north and west of Calle Mayor with the exception of children in Palos Verdes Parkway apartments will attend Newton School. In addition, all children living on both sides of Calle Mayor east of 300 Calle Mayor will attend Newton School."

Children in the Palos Verdes Apartments will attend Riviera School as will those in areas not mentioned.
Hamilton adds that the Torrance schools will be open for new enrollments about Sept. 1, and suggests that children be enrolled between Sept. 1 and 9, rather than waiting for the beginning of school on Sept. 14. Children who were enrolled in Torrance schools last year need not re-register this year. A child must be born on or before Dec. 2, 1950, if he is to enter kindergarten, or be born on or before Dec. 2, 1949, if he is to enter first grade.

Recent visitors at the home of Mr. and Mrs. Dee Showalter, 232 Via Alameda, were Mr. and Mrs. Henry Winterhalter and family of Hayward, which is on the outskirts of Oakland, East Bay area opposite the San Francisco peninsula.
Winterhalter is the twin brother of Mrs. Showalter. The two families spent several days visiting with each other and seeing local points of interest such as Marineland.

"Hall and farwell" goes to another family who last week moved from this area. They are Mr. and Mrs. Lawrence Mosen, and family, formerly of 228 Calle de Madrid, who

moved to their new home at Thousand Oaks, Calif. His new position as auditor of the Janes Investment Co. necessitated the move. With them moved their daughters, Laura Ann, 7, and Marlon, 5.

Home from a six month's tour of Europe and the Mediterranean area are Mr. and Mrs. Raymond C. Smith, 208 Palos Verdes Blvd. They arrived home Aug. 2, with many wonderful tales to unfold. The Smiths are new residents here, having moved here from Bel Air shortly before their trip to Europe.

Engineers with Northrop Aircraft like to dance, too. They proved it on Aug. 6, when their group sponsored a dance held that evening at the Mayflower Hotel ballroom, with Jimmy Reifino and ork supplying the tunes. Local couples attending the dance included Messrs. and Mrs. John Strater, Don Shattuck and Warren Knielem, Jr., and others.

Two local couples were installed with others as the new officers of the Torrance Chapter of the American Field Service in ceremonies held Aug. 17, at the home of Mr. and Mrs.

G. Van Deventer, 2203 Carson Mr. and Mrs. L. M. Nash, 29 Camino de las Colinas, were installed as officers in charge of home placement. Mr. and Mrs. C. M. Lippincott, 132 Palos Verdes Blvd., took over the publicity chairmanship post.

Mr. and Mrs. Henry Graef, 115 Via los Miradores, "parents" of Lena Malmstrom of Sweden, who recently returned to her Nordic home, were recommended for a vote of thanks for their work and cooperation with the American Field Service.

NPQOE Exalted Ruler, Otto Willett, who heads up local lodge No. 1878, recently presented the scholarship awards from the National Elks Foundation to two local South Bayans. Recipients were Brent Banta, of Rolling Hills, and Ann Steinbaugh, of Palos Verdes Estates, each of whom received a \$500 check from Willett.

The two outstanding students have previously received \$300 each from the local Elks lodge. Miss Steinbaugh is graduate of Torrance High School while Banta graduated from Redondo High School.

Graduating from St. Joseph's Hospital School of Nursing, Phoenix, Ariz., on Sept. 2, will be Maureen Mahoney, daughter of Mr. and Mrs. Robert Mahoney, 331 Calle de Andalucia. Miss Mahoney will continue work at St. Joseph's in Phoenix until she enters the Mayo Clinic in Rochester, Minn., on Oct. 10, as a post graduate nurse in neuro-surgical nursing.

She was a graduate of Redondo Union High School and assisted locally in fund raising projects for the new St. Joseph's School of Nursing building which is now under construction. Her father, Robert Mahoney, is an electronics engineer, operating a radio repair business and is in the real estate business in Redondo Beach.

Of interest to many is the report from the Archdiocese of Los Angeles of the purchase of 25 acres for a site for a Catholic high school to serve the South Bay area. The site is located south of Torrance Blvd. and just east of the Redondo Beach city limits. It was a part of the Del Amo Estate company. George Schneider, of the Orange County Land Development Co., represented the Archdiocese in the transaction.

Vonnie Griffin, 19-year-old daughter of Mr. and Mrs. Frederick L. Griffin, 234 Paseo de las Delicias, has accepted a position with the exclusive dress and gown designers, Tamé Henri of San Francisco. The young recent graduate of El Camino College moved to San Francisco four weeks ago, the Griffins report. Miss Griffin is widely known for the many award winning styles which she designed for local and state-wide competitions in the past.

Her most recent victory was the winning of first place in the sports outfit category of the Adler of America contest held last May. Her design placed ahead of hundreds of students representing California junior colleges, colleges and universities.

She had been connected professionally for the summer months with Alex Coleman, a dress manufacturer in Hollywood, prior to accepting her new San Francisco position.
